

EG – Europe in Geosciences – Oral Sessions

Tuesday, 24 April

TU1 , 08:30–10:00	CL1.17/EG1 , Reconstructing the climate of the last two millennia (including Hans Oeschger Medal Lecture) (co-organized), 08:30–15:00 in Room 15
	EG4 , Research on Flood Resilience and Europe, 08:30–12:00 in Room D
TU2 , 10:30–12:00	CL1.17/EG1 , Reconstructing the climate of the last two millennia (including Hans Oeschger Medal Lecture) (co-organized), 08:30–15:00 in Room 15
	EG4 , Research on Flood Resilience and Europe, 08:30–12:00 in Room D
TU3 , 13:30–15:00	CL1.17/EG1 , Reconstructing the climate of the last two millennia (including Hans Oeschger Medal Lecture) (co-organized), 08:30–15:00 in Room 15

Friday, 27 April

FR3 , 13:30–15:00	OS2.2/EG3/CL2.12 , Advances in understanding of the multi-disciplinary dynamics of the Southern European Seas (Mediterranean and Black Sea) (co-organized), 13:30–17:00 in Room 5
FR4 , 15:30–17:00	OS2.2/EG3/CL2.12 , Advances in understanding of the multi-disciplinary dynamics of the Southern European Seas (Mediterranean and Black Sea) (co-organized), 13:30–17:00 in Room 5

EG – Europe in Geosciences – Poster Sessions

Tuesday, 24 April

TU4 , 15:30–17:00	EG4 , Research on Flood Resilience and Europe, in Hall XL, XL1–XL11
TU5 , 17:30–19:00	CL1.17/EG1 , Reconstructing the climate of the last two millennia (including Hans Oeschger Medal Lecture) (co-organized), in Hall Z, Z43–Z60

Friday, 27 April

FR2 , 10:30–12:00	OS2.2/EG3/CL2.12 , Advances in understanding of the multi-disciplinary dynamics of the Southern European Seas (Mediterranean and Black Sea) (co-organized), in Hall X/Y, XY365–XY391
